Manual DYNALUX Betriebsanleitung DYNALUX

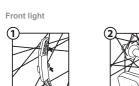

Art. 221238

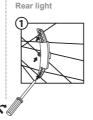

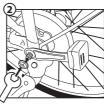

Die Lichter müssen fest mit dem Fahrrad verbunden sein und die Lichtverteilung darf nicht verdeckt sein. Montage an der Nabenachse: Bitte achten Sie darauf, dass Ihr Laufrad verkehrssicher befestigt werden kann. Lichter müssen ordnungsgemäß entsorgt werden. (Sondermüll).

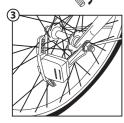

EN MOUNTING

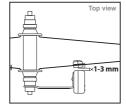

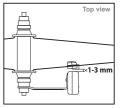

The lights must be firmly attached to the bike and the light distribution must not be covered. Mounting on the hub axle: Please ensure that your wheel can be mounted safely. Lights must be disposed of properly. (hazardous waste).
